

Dear Tim,

David Seaborg would like to interview you for the National Enquirer

His phone number is 415-283-3418

but he says he'd like to interview you when you're up here again
so you can just let me know if this okay with you, and if it is
I'll arrange to get the two of you together when you're here

Glad you took the bull by the horns at PLAYBOY. I suggest we
try PENTHOUSE immediately with the uncut first draft.

Bob W
